**Length:** as you wish

**Introduction:**
Start with a comfortable thread length. I recommend about 5 feet (about 1.50 meter) for starting. String a stopper bead leaving about 4" (10 cm) tail. Go through the stopper bead twice to anchor the bead. (Stopper bead is an 11/0 round seed beads different color from those you are working with. This bead will remove at the end of our work.)

For 16.5 inch finished necklace you will need:

74 beads 4 mm Swarovski 5328

36 Czech mini drops or small dagger or 3.4 Miyuki drops.
